**MIAMI** - A driver hit two 17-year-old boys riding a scooter and then left the scene of the crash.

The crash happened at Southwest 267th Street and 167th Avenue about 3 p.m. Friday, say police.

One of the boys suffered minor injuries. The other suffered a cut to his head. Both boys were airlifted to Jackson Memorial Hospital, but their conditions were not immediately released.

Police say a 2008 to 2012 four-door, silver Honda Accord hit the boys. It had tinted windows, damage to its right side, and is missing its right-side mirror.
