Police have identified the person killed Tuesday afternoon after a vehicle crashed into a Florida Power & Light pole at the intersection of Northlake Boulevard and Beeline Highway as 18-year-old Teawana Robinson.

According to a West Palm Beach Police spokesman, Robinson, who was driving, veered off the road. She tried to overcorrect, but lost control of the car and hit the pole.

Her passenger, 20-year-old Terrance White, was taken to St. Mary's Medical Center in critical condition. He underwent emergency surgery Tuesday and was in the intensive care unit Wednesday night, police said.

Rescue units were called to the scene of the accident at 2:01 p.m., according to a Palm Beach Fire Rescue spokesman. When they arrived, they found the vehicle had hit the pole. The pole broke in half, and the vehicle had moderate damage.

The accident is still under investigation.
