Dale Kipp, a 72-year-old man, told Palm Beach County Sheriff's deputies that a 9-year-old girl who was staying with him for the summer "asked" him to perform a sexual act on her twice, according to a probable cause affidavit. He was arrested Tuesday.

The girl told a case worker she visited Kipp, 72, the past two summers and while others in Kipp's residence were sleeping, he would attempt to perform sexually inappropriate actions on her. His home is in 4200 block of 123rd Trail North in suburban West Palm Beach.

Kipp told deputies he kissed her in a non-sexual manner, the affidavit stated.

Kipp was charged with two counts of sexual assault on a person younger than 12. Late Wednesday, he was being held at the county jail without bond.

I am so so sick of hearing of all these perverts molesting children. I am just disgusted with the amount of abuse and harm of all forms against children. PARENTS: STAND UP AND PROTECT YOUR CHILDREN, PLEASE!!!

His excuse was that she asked him to do it? Give me a break. I don't believe for a second she did but even she did the guy is 72 years old and should have more common sense than a 9 year old! There is no excuse for this and the guy should be fed to the gators....
